Hitman 2 sniper assassin sapienza

HITMAN™ 2 & general discussions & Topic Details Has anyone completed sapienza sniper assassin challenge with sieger 300? Asking because I've done it the other day, and yet classics sniper assassin challenge never unlocked, I have taken both goals with the regular sieger 300 and even virus (or rather shot stalakit with sniper) and even charge before killing the last target and finishing it again does not solve the problem. Wondering if either something went wrong in my race or that somehow sniper rifles added in the second game don't count towards the legacy levels their unlocks. On a side note, is there any more legacy challenge bugs I've got the chance to run into? The previous challenge I was trying to complete was the feat. silent escalation, which was also intercepted, instead of disengaged after the first escalation I completed I ended up having to complete 3 legacy escalations before it ever registered as having done so. This thread was originally created to host definitive, COMPLETE Sniper Mission Pack (below), but now serves as a thread for anyone writing their sniper contracts and playthroughs. Contracts added since February: Podium Sniper, Rooftop Sniper, Sniper Assassin: Castle, All The Queen's Men..., Sniper Assassin Observatory, Adjustment Sights, Sniper Assassin: Plaza, Sniper Assassin: Bank, Sniper Assassin: Island, Sniper Assassin: Resort Hey guys, this has been months in its infancy and I'm happy to finally share it with you all here. I've gone through every single level and devised a contract for every reasonable sniper placement in the game (including Legacy) where you can kill 4-5 targets and still get Silent Assassin, all without leaving the sniper spot (except to escape, of course). They require all the skills you learn in Sniper Assassin game mode: Bullets to lure targets, bullets to make witnesses look away, bullets to make things leak/explode/cause 'accidents' (But unlike Himmelstein, you get to get the body found if it's an accident in these contracts!). If only IO allowed you to force players to select a specific starting position (e.g. escalations), those contracts would be at a different level. but they don't, so it's very important that you read the briefing for each one so you know where to start and where to go. All contracts are now on Xbox thanks to @CamTheChest. @TheContractor was gracious enough to recreate all 16 of my PC contracts on PS4 (The guy is an absolute legend!), so you guys can now play them in all their glory and see if you can get Silent Assassin! PC players have already had a taste of the first ten since I posted them on Reddit last On PC the most popular have been Sniper Mission: Sapienza Square, Sniper Ninja (Speedrunners love that one), and Sniper Assassin: Sapienza (Nice easy to start with) It would be great if you guys played some and let me know how you went. Some PC players have shown me their runthroughs, and I've been surprised by the different tactics they've used to get Silent Assassin on some missions (Stuff I never even imagined), all using just their rifle and standing in the same single place. If you are hopeless at sniping, I'll post a video below explaining everything you need to know about sniper mechanics in Hitman 2, and if you still need help, comment here and I'll give you a hint (For example, on the Sgail mission you'll need to know about canon killing) UPDATE: The February patch (27-02-19) has made it impossible to get gun kills using just a sniper that means Sniper Assassin: Isle of Sgail must now be SA'd in a different way; but CHAOS_AGENT_45 have shown us, that it can be done very easily 35 Likes Here are contract IDs written out - Xbox (Thanks to CamTheChest): Sniper Assassin: Miami 3-11-2494195-19 FEATURED Fishing Village: 3-12-3228477-80 Sniper Ninja: 3-3-19 10-1916755-80 Marrakech: 3-06-3627877-80 Mumbai: 3-13-4885908-80 Paris: 3-02-6082974-80 Sapienza: 3-03-3128186-80 Isle of Sgail: 3-21-3594261-80 Bangkok: 3-08-1690600-80 Beach Tower: 3-8013-0599391-80 Landslide: 3-04-6430250-80 Castle Gardens: 3-02-5822484-80 Ruins: 3-03-5010566-80 SELECTED Schoolyard : 3-07-2103608-80 Suburban Sniper: 3-22-5541534-80 Sapienza Square: 3-03-1779439-80 Castle: 3-21-21-20 5740183-80 FEATURED (as Mk II) Podium Sniper: 3-11-8429171-80 Rooftop Sniper: 3-10-5514895-80 Observatory: 3-03-03-03-80 02782251-80 Plaza: 3-03-6912185-80 Bank: 3-24-8170713-80 Ø: 3-26-1666134-8 0 FEATURED PC (KevinRudd): 1-11-6307132-52 Sniper Assassin: Miami FEATURED 1-21-1856231-52 Sniper Assassin: Isle of Sgail (Updated October 9, 2019; new target, minor complications) 1-13-8866180-52 Sniper Assassin: Mumbai 1-12-0316695-52 Sniper Assassin: Fishing Village 1-03-7379619-52 Sniper Assassin Assassin: Sapienza 1-06-4541901-52 Sniper Assassin: Marrakesh 1-02-8509213-52 Sniper Assassin: Paris 1-10-1751388-52 Sniper Assassin: Ninja 1-04-63 999996 -52 Sniper Assassin: Landslide 1-02-9722442-52 Sniper Assassin: Palace Gardens 1-07-8698383-52 Sniper Assassin: Schoolyard 1-03-8441987-52 Sniper Mission: Sapienza Square 1-03-9282887-52 Sniper Assassin: Ruins FEATURED 1-22-5153194-52 Suburban Sniper 1-08-3046680-52 Sniper Assassin: Bangkok 1-13-169 9370-52 Sniper Assassin: Beach Tower Castle MK II: 1-21-1202498-52 FEATURED Podium Sniper: 1-11-7418466-52 Rooftop Sniper: 1-10-3436462-52 : 1-03-7851470-52 Plaza : 1-03-9374017-52 Bank: 1-24-6416287-52 Ø: 1-26-5915882-52 FEATURED PS4 (Thanks to TheContractor): Ninja 2-10-8288028-07 Fishing Village 2-12-1999407-07 Marrakech 2-06-9059216-07 Mumbai 2-13-2 418531-07 Miami 2-11-0443911-07 FEATURED Paris 2-02-5434690-07 Sapienza 2-03-8498351-07 Sgail 2-21 -4717488-07 SNIPER MISSION: SAPIENZA SQUARE 2-03-0671522-07 SCHOOLYARD 2-07-5969738-07 SUBURBAN SNIPER 2-22-8432554-07 2-02-1092490-07 RUINS 2-03-6729624-07 SELECTED TÅRN 2-13-8061060-07 JORDSKRED 2-04-1576754-07 BANGKOK 2-08-8745604-07 SLOT: 2-21-5963767-11 (DessieS (DessieScissorhands) FEATURED som Mk II Podium Sniper: 2-11-5964512-48 (Tiishen) Rooftop Sniper: 2-10-4824948-11 (DessieScissorhands) Observatory: 2-03-9435052-11 (DessieScissorhands) Plaza: 2-03-7943461-11 (DessieScissorhands) Bank: 2-24-9256107-11 (DessieScissorHands) Island: 2-26-1280111-07 FEATURED Og her er videoen om, hvordan man får Silent Assassin i sniping (Bemærk det vil ødelægge Sniper Mission: Sapienza Square, hvis du ser forbi 2:42 mærket) 17 Likes Tak mate, det er faktisk fantastisk. I seriously struggle to find any fun contracts than a few featured ones, so this will keep me busy for a while. Much love 3 Like another great deliver of Australia's strangest PM. Thanks! 5 Like Cheers, please let me know if they lived up to your expectations and if you had any problems! 1 Like Oh you have an HF account? for anyone reading this I can definitely recommend these they are really fun to find out and most goals have more than 1 way to complete them 1 Like just got one a day or so ago, thought it was time! And yes, on the rare chance you refer to my post from a month ago, I've since expanded it from 8 to 16, let me know how to go on the new 2 Likes I'll be waiting to come up with Signature Mark II looks 2 Likes Such a great idea! Thanks! 1 Like You can now play all contracts on Xbox!!! Someone works fast 1 Like Nice contracts, the problem is Sniper works differently in Sniper assassin mode, in normal mode you can't lure people properly without them getting suspicious, sometimes they don't even go to see it, or just start running, it's really annoying. This is true, but I have specifically picked targets that can be tricked with only one shot (including a shot + a car alarm, which doesn't count as another shot). There is only one goal in all these contracts to be put in Searching mode to be lured away, and that's in Sniper Assassin: Paris, and I've repeated it several times, and it can be done if you're patient and wait for him to slowly explore the area and go behind cover. And a bonus for having different rules for Sniper Assassin game mode is bodies being allowed to be found from accidents, which is a huge positive. 1 Just as I did Paris and completely forgot I could lure them with the alarm, this will it much less painful 2 Likes You can do Paris without an alarm by waiting aaaaages for too to walk away to a secluded place, but yes... Shooting the car takes only two shots with Sieger Ghost to explode, and the first shot is usually the lure of shot 1 Like UPDATE: All contracts are now on Xbox. I have updated the contract ID post up above. Give me your feedback and feel free to post any playthroughs! 4 Like if you have aced all 16 and still want more, there is a bonus contract that was not included due to having forced complications (But is still a straightforward Sniper Mission anyway, you just have to not be shit) ALSO ON XBOX: 3-11-8429171-80 4 Likes For those bored and want another sniper contract, today I learned of an Easter egg that gets you onto the GAMA roof terrace so I made a contract out of it. Read the briefing to find out how. If you follow the rules and actually snipe, the mandatory complications won't be a problem for you, you just have to make sure no one sees the bodies (remember, there are cameras)! PC: 1-10-3436462-52 - Kevin Rudd PS4: 2-10-4824948-11 - DessieScissorhands XBOX: 3-10-5514895-80 - CamTheChest 2 Likes Really enjoy playing these on Xbox! @KevinRudd I thought the schoolyard one was brilliant as far as distracting 2 of the goals and making use of the environment, despite the fact that the other 3 goals were pretty simple. Landslides were fun and I still haven't managed to complete Bangkok or Sgail. Great work! 2 Likes Beach Tower SSA Bangkok SSA Isle of Sgail SA (Actually patch, it's still possible) Really enjoy your contracts, very good mixing @KevinRudd Thanks for recreating all these @TheContractor More videos will follow 6 Likes next page -- --
